

HAYWARD CITY COUNCIL

RESOLUTION NO. 18-\_\_\_\_

Introduced by Council Member \_\_\_\_\_

RESOLUTION APPROVING PROJECT LIST FOR FY 2019 ROAD REPAIR AND ACCOUNTABILITY ACT (RRAA) FUNDING

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of Hayward are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City must approve a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City will receive an estimated \$2,674,000 in RMRA funding in Fiscal Year 2019 from SB1; and

WHEREAS, this is the second year in which the City of Hayward is receiving SB 1 funding and will enable the City of Hayward to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City has undergone a robust public process to ensure public input into our community's transportation priorities; and

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate eleven street sections as listed below in Fiscal Year 2019 and dozens of similar projects into the future; and

WHEREAS, the 2016 California Statewide Local Streets and Roads Needs Assessment found that the City’s streets and roads are in an “at low risk” condition and this revenue will help us increase the overall quality of our road system and over the next decade will help bring our streets and roads into a “good” condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

THEREFORE, BE IT RESOLVED by the City Council of the City of Hayward that:

1. The foregoing recitals are true and correct.
2. The fiscal year 2018-19 list of projects planned to be funded with Road Maintenance and Rehabilitation Account revenues include:
