That Council authorizes the City Manager to: (1) execute the FY19-20 Medi-Cal Administrative Activities Memorandum of Understanding with the Alameda County Health Care Services Agency and (2) accept and appropriate between \$400,000 and \$500,000 in reimbursement for services provided under this agreement.

SUMMARY

Since 2006, the Youth and Family Services Bureau (YFSB) of the Hayward Police Department has had an annual Memorandum of Understanding with the Alameda County Health Care Services Agency to provide Medi-Cal Administrative Activities (MAA). YFSB staff play a critical role in connecting community members to Medi-Cal covered services. In recognition of this function, the County provides an annual reimbursement for the cost of staff time spent providing this service. This reimbursement is re-invested to support YFSB programming that contributes to the overall strength and success of the YFSB model. The amount of this reimbursement varies year to year, but is expected to be between \$400,000 and \$500,000 for FY19-20. Council approval is requested to authorize the City Manager to negotiate and execute the annual MAA MOU with the County and appropriate related funds. There is no general fund impact with the approval of this item.

BACKGROUND

Since 2006, the Youth and Family Services Bureau (YFSB) of the Hayward Police Department has had an annual Memorandum of Understanding with the Alameda County Health Care Services Agency to provide Medi-Cal Administrative Activities (MAA).

To ensure the proper and efficient administration of the Medi-Cal Program, the State of California has entered into contract with the County of Alameda Health Care Services Agency. The State recognizes the unique relationship that the County Health Care Services Agency has with Medi-Cal Eligible Individuals. The Health Care Services Agency recognizes the unique

relationship that certain other departments and entities in the County, including the City of Hayward Youth and Family Services Bureau, have with Medi-Cal Eligible Individuals. It further recognizes their expertise in identifying and assessing the health care needs of the Medi-Cal Eligible Individuals they serve.

To take advantage of the Youth and Family Services Bureau's expertise and relationship with Medi-Cal Eligible Individuals, the County Health Care Services Agency provides reimbursement for the Medi-Cal Administrative Activities performed by the Bureau.

The amount of this reimbursement varies year to year, but is expected to be between \$400,000 and \$500,000 for FY19-20.

DISCUSSION

The Youth and Family Services Bureau staff play a critical role in connecting community members to Medi-Cal covered services. In recognition of this function, the County provides an annual reimbursement for the cost of staff time spent providing this service. This reimbursement funding is re-invested to support YFSB programming that contributes to the overall strength and success of the YFSB model. Providing alternatives to youth involvement in the juvenile justice system is a critical issue locally and nationally. The literature clearly shows that more restrictive juvenile justice interventions such as youth incarceration contribute to poorer outcomes and increased rates of recidivism. Conversely, offering alternatives such as family counseling, case management, and diversion, not only reduces recidivism but also leads to better outcomes for youth and families overall. The execution of this agreement and the acceptance of the associated funding will allow the Youth and Family Services Bureau of the Hayward Police Department to continue to play a crucial role in keeping youth out of the juvenile justice system and contributing to the overall safety and wellbeing of Hayward families.

ECONOMIC IMPACT

As stated above, improving community safety and keeping youth out of the juvenile justice system by supporting them to lead productive and healthy lives will only strengthen our local economy and improve every aspect of it.

FISCAL IMPACT

These funds have been included in the City's FY 2020 Proposed Operating Budget in the General Fund. Staff anticipates that there will be no net impact to the General Fund as a result of the approval of this item. The City will receive reimbursement from MAA activities performed during the term of the MOU and staff projects these reimbursements to total between \$400,000 and \$500,000.

STRATEGIC INITIATIVES

This agenda item supports the Complete Communities Strategic Initiative. The purpose of the Complete Communities initiative is to create and support structures, services, and amenities to provide inclusive and equitable access with the goal of becoming a thriving and promising place to live, work and play for all. This item supports the following goal and objectives:

Objective 1: Increase neighborhood safety and cohesion

Objective 4: Create resilient and sustainable neighborhoods

NEXT STEPS
