ITEM #3

LB 22-026

Council Vacancy Process: Adopt a Resolution Approving a Process for Filling a Two-Year Term City Council Vacancy

Kelly McAdoo, City Manager
Miriam Lens, City Clerk
Michael Lawson, City Attorney

Background

- **November 2022:** Election for Mayor and two City Council seats; Councilmember Mark Salinas elected Mayor, leaving a vacancy in his remaining term
- **Vacancy runs from December 2022 through December 2024**
- **City Charter Section 501** requires the Council either fill the vacancy or proceed with a special election within 30 days following the occurrence of the vacancy
- **Special Election** would occur as an all-mail ballot election to be held on **May 2, 2023**

Proposed Council Member Appointment Timeline

Dec 13	Council Meeting to approve appointment process
Dec 14	Issue Notice of Vacancy/applications available
Jan 3	Applications due to City Clerk by 9am
Jan 3	Special Council Meeting: Accept applications and confirm interview process
Jan 5	Council select up to 5 applicants to interview/City Clerk notifies applicants
Jan 9	Special Council Meeting: Interviews/Swearing in of new member OR Council directs City Clerk to call for Special Municipal Election

Fiscal Considerations

- Special all-mail ballot election would cost between \$9 - \$11 per registered voter
- Estimating 80,000 registered voters, the cost to the City would be \$720,000-880,000

Recommendation

That the Council adopts a resolution affirming the process for filling the unexpired term of Council Member Mark Salinas and calls for a Special Election if the appointment process is unsuccessful.

1. Council Questions
2. Open Public Hearing
3. Council Discussion and Motion
