Subject: Special Recognition of Council Member Mendall

Mayor Barbara Halliday and Hayward City Council:

The Fairway Park Neighborhoods Association would like to take this opportunity to offer is sincere appreciation and to recognize Al Mendall for the many years of dedicated service to the City of Hayward and all its citizens. Al has been thoughtful, earnest, intelligent and forward thinking in his efforts to move Hayward into a positive, healthy, and sustainable direction for Hayward's residents now and its generations to come. He has striven continuously to create the best possible community and amenities for each and every one of us, bar none. Al has been an indomitable force for good in our community; reaching beyond city council, willing to work with community organizations, outside governments, and other organizations, all for the betterment of Hayward. But also a win - win because it was a win for the other organizations as well, magnifying the positive possibilities that could be achieved.

Thank you, Al, for you vision, for your action, for your service and for your example. We know you will honor us again with your public service sometime in the future. That is just who you are. We look forward to working with you whenever that time comes. In the meantime, best of luck in wherever your next chapter in life takes you.
