

**PROCLAMATION OF LOCAL EMERGENCY
BY DIRECTOR OF EMERGENCY SERVICES**

BE IT PROCLAIMED by the Director of Emergency Services of the City of Hayward as follows:

WHEREAS, the California Emergency Services Act, Government Code sections 8558(c) and 8630 authorize the proclamation of a local emergency when conditions of disaster or extreme peril to the safety of persons and property within the territorial limits of a city exist; and

WHEREAS, pursuant to Government Code section 8630 such an emergency may be proclaimed by the governing body or by an official designated by ordinance adopted by the governing body; and

WHEREAS, Hayward Municipal Code section 3-2.12 provides that the City Manager, serving as the Director of Emergency Services, may request the City Council to proclaim the existence of a local emergency; and

WHEREAS, under provision of local law, if the City Council cannot be convened and, in the judgment of the Director of Emergency Services, the circumstances warrant it, she may issue a proclamation of local emergency which must be ratified or nullified by the City Council within seven days of issuance; and

WHEREAS, in accordance with my authority under the above provisions of state and local law as Director of Emergency Services; and

WHEREAS, the circumstances of extreme peril to public safety described below are so severe and require immediate remedial action that there is not sufficient time to call an emergency meeting of the City Council; and

WHEREAS, as Director of Emergency Services, I have determined that the proclamation of a local emergency is warranted by virtue of the extreme peril to the safety of persons and property in the City caused by epidemic in the form of the global spread of a severe acute respiratory illness caused by a novel (new) coronavirus ("COVID-19"), including several confirmed cases in Alameda County and dozens more in the San Francisco Bay Area, prompting the County to declare a local health emergency.

BE IT FURTHER PROCLAIMED that this proclamation shall be in effect for a period of seven days, by which time it must be ratified by the Council of the City of Hayward, pursuant to Government Code section 8630.

NOW, THEREFORE, I HEREBY PROCLAIM that, effective immediately, a local emergency now exists in the City as a result of the circumstances described above.

BE IT FURTHER ORDERED THAT all City officers and employees take all steps requested by the City Manager to prevent the spread of COVI D-19 and to prevent or alleviate illness or death due to the virus; and

BE IT FURTHER ORDERED THAT all City officers and employees take all steps requested by the City Manager to qualify the City for reimbursement from the Federal Emergency Management Agency and for other state and federal relief as may be available to reimburse the City for the expenses it incurs in addressing this emergency.
