**Subject:** ANJANI VARMA Leave from the KHG&C.

Hi Jillian!

I hope all is well with you and everyone else. I wanted to contact you that I needed to take a leave from the KHG&C.

Grad school is becoming increasingly difficult to balance with other activities in my life. I would love to return next year after graduating from my program to continue supporting the cause, if KHG&C would like to have me.

Best regards,

Anjani Varma
