Re: HUNTWOOD TOWNHOUSES, 28538 Huntwood Avenue, Hayward, California

Dear City Council:

Please accept this letter itemizing additions committed by my Client for the subject project as follows:

- 1, Only electric power will be included in this project. No natural gas or any other power source will be on this site.
- 2, All houses will have roof top solar electric systems with a battery backup system in each house.
- 3, There will be an electrical vehicle charging station installed in every garage.
- 4, Bicycle racks will installed throughout the site of this project.

Thank you very much for re-reviewing this application. Please let me know if additional information may be required.
