City of Hayward
777 B Street
Hayward, CA 94541

Dear Ms. Lens,

I am writing to let you know that I am stepping down from the Keep Hayward Clean and Green Task Force, effective immediately. I have greatly enjoyed the privilege of meeting like-minded residents of Hayward and having a real impact on cleaning up the spaces most impacted by trash, graffiti, and illegal dumping in our city.

Family health issues have lately prevented me from fully engaging in the Task Force, and I would like to devote my limited time to beautifying my neighborhood and building a local community that takes pride in our little area.

I would be open to reapplying to another commission in the future, once this difficult time has passed, and I look forward to remaining engaged in the community and joining clean up events when I am able to do so.

Thank you for the opportunity to serve the City on the Keep Hayward Clean and Green Task Force.

Warm regards,

Ginny Delaney, Ph.D.

Resident, Hayward, CA
