WHEREAS, the CITY, the COUNTY, and HARD have mutually agreed to form a Governance Group, comprised of authorized representatives from each agency, for the purposes of establishing and defining the aforesaid partnership and collaboration;

NOW THEREFORE, the CITY, the COUNTY, and HARD agree as follows:

AGREEMENT

(1) Term. This MOU shall become effective January 26, 2016, and shall remain in effect until the parties have negotiated and adopted a superseding agreement, or terminated in accordance with Article 6 of this MOU.

(2) Governance: The Governing Group is required to maintain a high level of interagency coordination, expertise, focus, nimbleness, and commitment to intensive investment of time and effort. To this end, the Governing Group will be comprised of one elected official and one senior staff member from each of the three primary stakeholder public agencies (the CITY, the COUNTY and HARD). Each agency will select its own representatives and shall notify the other partner agencies of its selections. These selections shall be made with the recognition that the Governing Group thus formed could potentially evolve into a Joint Powers Authority (JPA) or

similar governance agreement, if so needed and recommended by the Governing Group to the member agencies for adoption at a later date.

(3) Decision-making. It is the intent of the partnership to make decisions in a collaborative manner and by consensus, recognizing that support from each of the three jurisdictions is critical for the development of the project. The decisions made by the Governing Group are advisory in nature, and shall not be binding on the parties unless and until approved by each party's governing body. It is the parties' intent that the decisions and recommendations of the Governing Group with respect to the scope of issues identified in Article 4 will be memorialized in an agreement or agreements to be presented for approval by each party's governing body after consensus is reached. To facilitate the continued work of the Governing Group, the parties may also elect to modify the terms of this MOU pursuant to Article 10, or execute a superseding MOU or similar agreement, as needed.

(4) Scope. The Governing Group shall be responsible for deliberating, reaching agreement and making recommendations on the following phases:

Phase I: Conceptual Program/Project Development

- a) Articulate the vision of the Project and ensure that all members of the Group are in alignment with the vision.
- b) Resolve fund development shortfalls and develop financing mechanisms for the construction phase of the Project.
- c) Clarify legal and legislative issues, formulate policy recommendations, and identify governing actions needed to implement the Project.
- d) Define and finalize the Project requirements, including location, site footprint and ownership.
- e) Agree upon the types and scope of public services to be provided in the new facility.

Phase II: Construction Services Procurement and Plan of Finance for Construction and Operations

- a) Review and participate in RFP processes for selection of Bridging Architect, and Design Build entity.
- b) Develop a plan to secure sustainable operating funding for the facility and establish the governance and administrative structures to support facility operations and maintenance.

Phase III: Ongoing Operations and Governance

- a) Agree upon changes, if any, to the structure of the Governing Group in Phase III

- b) Identify issues to be resolved by the parties during Phase III.
- c) The Governance Group will use an open and transparent selection process to identify a qualified operator for the new facility through the use of an open and transparent selection process.

(5) Advisory Task Force. During Phase I, the Governing Group shall organize and convene an Advisory Task Force within sixty (60) days of the execution of this MOU. The Advisory Task Force shall be comprised of key South Hayward community stakeholders including residents, service organizations, service recipients, and business representatives. The Advisory Task Force shall:

- a) Build upon, but not duplicate, the voluminous community engagement work that has already been done for the Project.
- b) Advise the Governing Group on the types and scope of services to potentially be provided in the new facility, as indicated by the community engagement work referenced above.
- c) Advise and make recommendations to the Governing Group on service-related issues pertaining to the proposed South Hayward Youth and Family Services Center and adjacent related facilities including Matt Jimenez Community Center and Tennyson Park.

The Advisory Task Force shall be comprised of no more than fifteen (15) total members. Each party may appoint up to five (5) members each to serve on the Advisory Task Force.

(6) Termination. Each party to this MOU can terminate its involvement upon thirty (30) days' written notification to the other parties. In the event only one party terminates its involvement in accordance with this provision, the MOU shall remain in force and effect as between the remaining two parties. The MOU shall terminate upon two parties' exercise of the right to terminate in accordance with this provision or upon mutual agreement of all parties in writing.

(7) Indemnification. The CITY, the COUNTY, and HARD agree to mutual indemnification as follows:

- a) CITY will indemnify, defend, protect and hold harmless COUNTY and HARD, their respective officers, agents, and employees, from and against any and all liability, damage, expense cause of action, suits claims, and judgments arising from injury to or death of persons or loss of or damage to personal property based on performance pursuant to this MOU, unless such liabilities and obligations have arisen by reason of the negligence of willful misconduct of COUNTY or HARD, their officers, agents and employees.

- b) COUNTY will indemnify, defend, protect and hold harmless the CITY and HARD, their respective officers, agents, and employees, from and against any and all liability, damage, expenses, causes of action, suits claims, and judgments arising from injury to or death of persons or loss of or damage to personal property based on performance pursuant to this MOU, unless such liabilities and obligations have arisen by reason of the negligence of willful misconduct of the CITY or HARD, their officers, agents and employees.
- c) HARD will indemnify, defend, protect and hold harmless the COUNTY and the CITY, their respective officers, agents, and employees, from and against any and all liability, damage, expense causes of action, suits claims, and judgments arising from injury to or death of persons or loss of or damage to personal property based on performance pursuant to this MOU, unless such liabilities and obligations have arisen by reason of the negligence of willful misconduct of the COUNTY or the CITY, their officers, agents and employees.

(9) Accountability. The CITY, the COUNTY, and HARD shall collaboratively evaluate the success of the partnership on a regular schedule to be determined; and shall regularly and timely provide reports of the Project’s progress to the governing bodies of their respective agencies.

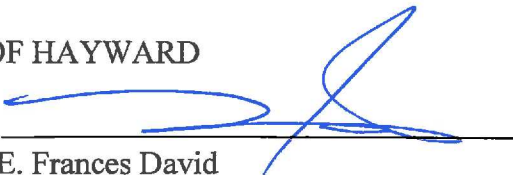

(10) Amendments. This MOU may be amended and/or modified only by mutual agreement of all three parties, and any such amendments or modifications must be in writing and signed by duly authorized representatives of all three parties.

(11) Whole Agreement. This MOU has six (6) pages including the signature pages. This MOU constitutes the entire understanding and agreement of the parties. This MOU integrates all of the terms and conditions mentioned herein or incidental hereto with respect to all or part of the subject matter hereof.

(12) Counterparts. This MOU may be executed in counterpart.

IN WITNESS HEREOF, the parties hereto have entered into this agreement to be executed the day and year herein above first written.
