# **Empower a Better Future GLOBAL BRIGADES GALA**

**July 7, 2016**

**5:30 PM – 10:30 PM**

Chabot College Events Center  
25555 Hesperian Blvd. Hayward, CA 94545  
Building 700, Room 727

Chabot Medical Brigades is a member of the largest international student-led global health and sustainable development organization. In January 2017, students from Chabot College will travel to Honduras to open a pop-up medical & dental clinic with the goal of treating 1,200 patients. We are holding this benefit dinner and auction to raise money to provide medical care for the people of Honduras. We hope you can join us in empowering our students.
