### **SUMMARY**

A general municipal election will be held in the City of Hayward on Tuesday, November 5, 2024, under the authority of the City Charter and laws in the State of California. The purpose of the election is to elect four Council Members for full terms of four years. The incumbents are Council Member Andrews, Council Member Bonilla Jr., Council Member Goldstein and Council Member Zermeño.

### **DISCUSSION**

Pursuant to the requirements of the City Charter and the Elections Code of the State of California relating to general municipal elections, the City Council is requested to adopt a resolution calling a general municipal election and requesting the Alameda County Board of Supervisors to order the consolidation of the City of Hayward General Municipal Election with the General Election to be held on Tuesday, November 5, 2024. Due to expiring terms, it is necessary to elect four Council Members for full terms of four years. The Council is also requested to adopt a resolution setting forth particulars of the election relating to candidate statements.

According to Elections Code 10220, the first day for issuing nomination papers is Monday, July 15, 2024, and the last day is Friday, August 9, 2024, at 5:00 p.m. If an incumbent decides not to seek re-election, the nomination period extends to Wednesday, August 14, 2024. The Secretary of State will conduct a random alphabet drawing on August 15, 2024, to determine the order in which candidate names will appear on the ballot.

The Alameda County Registrar of Voters, through direction by the Alameda County Board of Supervisors, will provide the following services: verify signatures on nomination papers; prepare and supply indices with precinct information; provide voter registration information; assist in all election services as required in the conduct of this election; and provide services to complete the canvass of returns. With this consolidation, the City's sample ballot and optional candidate statements will be incorporated into the Alameda County Voter Pamphlet.

The issuance and processing of candidate documents will be handled in person by contacting the City Clerk.

The Alameda County Registrar of Voters estimates the total cost of printing, handling, translating, and mailing the candidates' statements, including costs incurred as a result of complying with the Voting Rights Act of 1965, as amended. Each candidate filing a statement will be required to pay in advance an estimated pro rata share as a condition of having the statement included in the voter's pamphlet. The estimated cost is an approximation of the actual cost which varies from one election to another and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements and other factors. Accordingly, the candidate could be billed for additional actual expenses or refunded any excess paid depending upon the final actual cost.

The 2024 Consumer Price Index adjustment for the City's Campaign Voluntary Expenditure Limit was calculated in January and adjusted to \$88,978. Hayward's Municipal Code, Chapter 2, Article 13, Section 2-13.04 states that if a candidate accepts the voluntary expenditure limit for their campaign, then they are entitled to accept the established contribution limit, now adjusted to \$1,743 per contributor. If a candidate does not accept the voluntary expenditure limit, then the contribution limit is \$402 per contributor. During the election cycle, campaign disclosure statements for all candidates will be posted on the City's website under the Elections Page – Public Portal for Campaign Finance Disclosure<sup>1</sup> within twenty-four hours of receipt.

The General Municipal Election Calendar (Attachment IV) provides a list of pertinent dates related to the election.
