<sup>1</sup>It is recommended that major projects be reviewed at a Pre-Application Meeting prior to submittal of a Development Review Application. A Code Assistance Meeting is also recommended involving project design professionals to address technical code questions.

<sup>2</sup>This is an initial deposit only. Hourly rate is \$163.58. If during the review of the project the Planning Director estimates that the charges will exceed the deposit, additional deposit(s) will be required. Also, the Planning Director may authorize a lesser initial deposit than shown if he/she determines that processing of an application will not entail need for the full initial deposit. Prompt payments of deposits or outstanding fees owed in association with the application will assure continued staff review of the project. Any surplus deposit remaining shall be refunded promptly upon project completion.
