City of Oakland, Corruption & Crimes Exposed!!

HPD and City of Hayward has been involved in gang stalking and terrorizing me. They are illegally denying me public records for years. They under grounded my 911 calls to HPD. HPD staff fails to file and investigate my valid police crime reports due to their bias and corruption. HPD follows me everywhere when I come to the City. They have engaged in doxing and it has harmed me.

Hayward Animal Shelter's Animal Control has denied me its services. Its Manager Jeannie Commstock is bias against me so she fails to return my calls violating state's anti discrimination laws. HAS also fails to pick up killed or dead animals when I report it. I suspect they are behind abandoning

a lot of unaltered cats near me to overwhelm me as I am a good samaritan who helps homeless cats. HAS is colluding with FPD and Tri City Animal Shelter and many others to harass me.

I urge officials at City to investigate it ethically and stop this abuse of resources and power. I will be writing you again. If this goes unresolved still, it will cause me more harm making City responsible further.

Thank you,

Jeff V.
