Introduction

Welcome and Introductions

Hello
my name is

Theory of Action for AB/AR

Equity and Anti-Bias and Anti-Racism

By systematically and continually **addressing the influence of race on student performance** through **targeted actions**, we aim to eliminate disproportionate student outcomes and ensure that all students, regardless of race, have equal opportunities to succeed academically and personally.

Equity and Anti-Bias and Anti-Racism

A comprehensive approach to address systemic inequities and combat racism within our educational system.

Key areas such as curriculum and policy reform, **staff professional learning**, **student** support services, and **community** engagement to ensure that every student has access to a fair and empowering education.
