

May 18, 2021

Hi Jayanti,

I hope you are doing well! I wanted to reach out to you regarding my absence from our library commission meetings. In the past two months I have been dealing with some unforeseen circumstances that have pulled my attention away from participating in our monthly meetings.

For this reason I have chosen to resign from my position as a city of Hayward library commissioner. I sincerely apologize for my lack of attendance and I hope my resignation won't be too much of an inconvenience. I wanted to thank you and the members of the library commission for the care you put into the library and the services it offers to help the Hayward community. I hope to again help serve our community soon!

Kinds Regards,

Karima Sharifi
