Hayward, CA 94541

Dear Jorge Simbaqueba,

Congratulations! We are writing to notify you that the Bay Area Air Quality Management District (Air District) has completed a review of the City of Hayward's application to the FYE 2020 Vehicle Trip Reduction Program **and the Air District's Board of Directors has approved** awarding Transportation Fund for Clean Air (TFCA) funds for the project detailed below.

<u>Project #</u>	<u>Project Title</u>	<u>Award Amount</u>
20R32	Install 1.9 miles of Class IV bikeways in City of Hayward	\$200,790

To accept the award, a Funding Agreement between the Bay Area Air Quality Management District and City of Fremont must be fully executed. The Air District is currently preparing the proposed Funding Agreement, which will be emailed to you within 30 days.

Please note that this letter is **not** the Notice to Proceed. The Notice to Proceed will be issued only after Funding Agreement has been fully executed (i.e., signed by both the Air District and the Project Sponsor). **Projects that commence (e.g., pre-order equipment, begin construction) prior to receiving the Notice to Proceed will be disqualified from receiving grant funding.**

We commend your efforts to help reduce air pollution. If you have any questions, please contact Lina Patel at [lpatel@baaqmd.gov](mailto:lpatel@baaqmd.gov).

Sincerely,
