Item #1

WS 26-016

**City
Commissions**

DATE: August 18, 2026

TO: Mayor and City Council

FROM: City Clerk

THROUGH: City Manager

SUBJECT: City Commissions: Review of Seven Reappointment Requests and Approval of Interview Process for August 25, 2026 **(WS 26-016)**

RECOMMENDATION

That the Council accept an amendment to **WS 26-016**. The staff report inadvertently omitted the two requests for reappointment of the Planning Commission. However, **Attachment III – Commission Report** includes the complete and accurate information regarding all individuals seeking reappointment.

With the inclusion of the two Planning Commission reappointment requests, there are a total of **nine requests for reappointment** and eleven vacancies across the City's commissions.

The accurate information will be reflected in the slide deck presented during tonight's work session.
