

COUNCIL INFRASTRUCTURE COMMITTEE

FY22 PAVEMENT IMPROVEMENT PROJECT

October 27, 2021

HAYWARD

FY22 Pavement Improvement Project

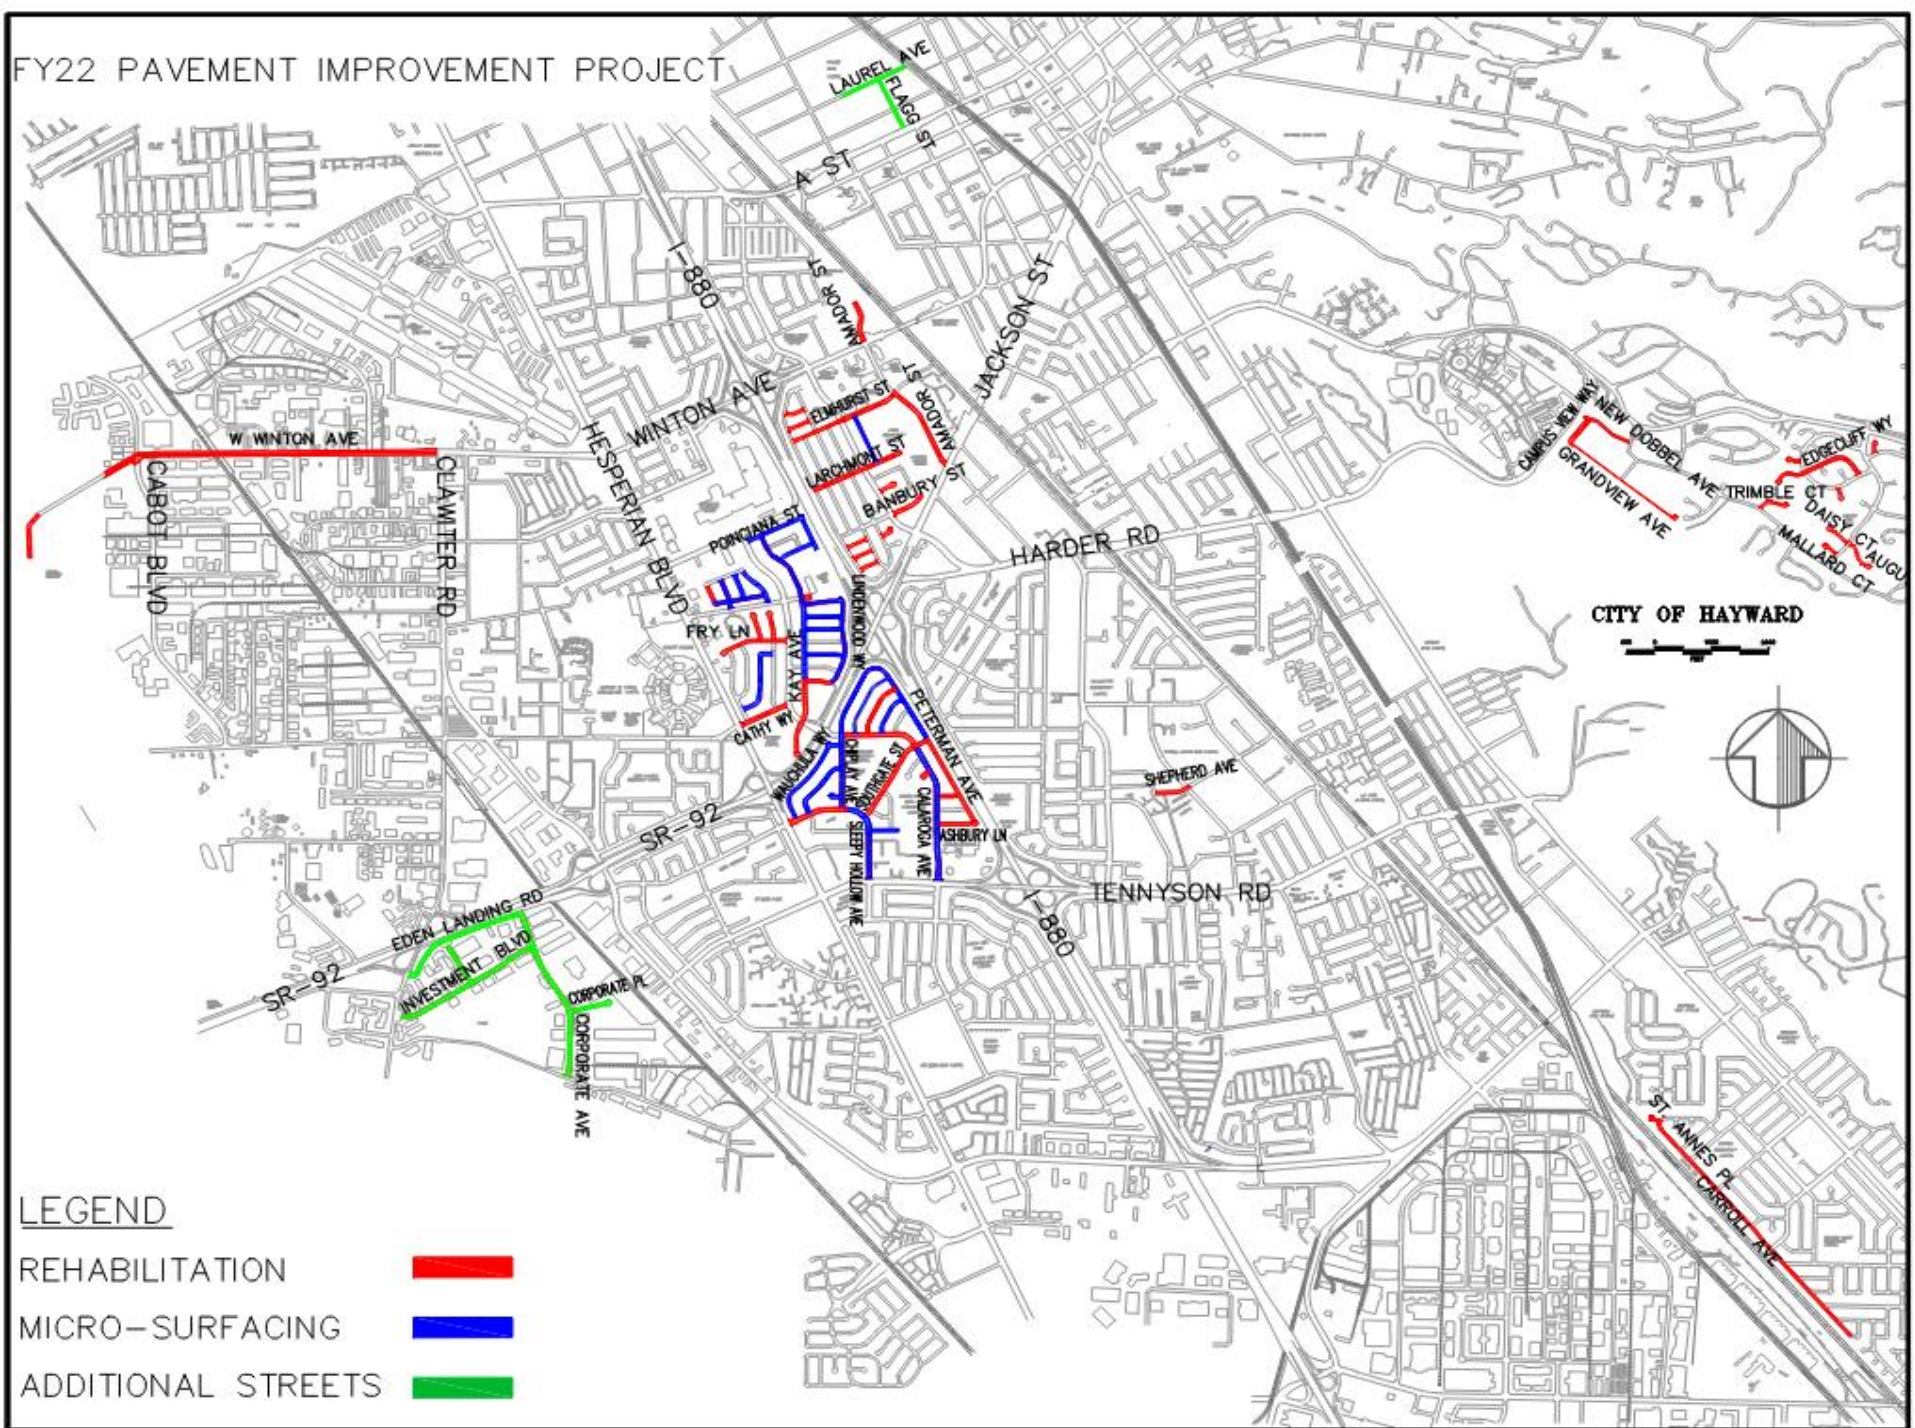

Project Overview:

- The project currently under design and staff is seeking Committee's feedback on the street selection list
- 49 street segments for rehabilitation treatment
 - Overlay with spot repairs
 - Grind & overlay with spot repairs
- 28 street segments for preventive maintenance treatment
 - Crack sealing, micro-surfacing with spot repairs

STREET SELECTION CRITERIA

- **Funding Availability** – Aim to pave as many streets with available funding
- **Geographic Location** - Selecting streets in close vicinity to help lower construction bids
- **Internal Reports** – Requests from City's Maintenance staff
- **Public Input** - Requests from the public/Council members
- **Equity** – Equity in distribution of City services and whether a particular area of the City has received its fair and equitable share in the past
