AGENDA QUESTIONS & ANSWERS

MEETING DATE: April 27, 2021

Item #2 [CONS 21-215](#): Adopt a Resolution Accepting the Resignation of Ms. Jacquelyn Young from the Keep Hayward Clean and Green Task Force, Effective Immediately

I noticed that in the report re: Jacquelyn Young's resignation, in paragraph two it references Ms. Sharp.

Thank you for bringing this to my attention. This is a typographical error. The name should have been Ms. Young. The resolution has the correct information and Council can take action.

Item #4 [PH 21-036](#) Community Agency Funding: Approval of Fiscal Year 2022 Community Agency Funding Recommendations and the FY 2022 Annual Action Plan (Report from Assistant City Manager Ott)

Page 4 (second paragraph) of the PH 21-036 staff report has the following text, "error! Reference source not found." The yellow highlight should have been "table 1" which I am assuming was a hyperlink to the table. Below is the referenced paragraph for your convenience.

"Council also expressed interest in reimagining the funding criteria in order to focus future funding in a manner that allows for innovation, promotes equity, and serves all people in Hayward. The funding recommendations for CDBG and General Fund monies for FY 2022 are summarized in **Error! Reference source not found.** at the beginning of this report and presented in detail in Attachment II."

This error was caused during the conversion to PDF format. The text should read, "Table 1", which can be found on page 2 of the staff report.

PUBLIC COMMENT	Randy Waage	PLEASE make sure the weeds are cut/maintained at the Skywest Golf course. They are going to become a fire hazard as we head into late Spring/Summer. I'd also like to see the lakes re-filled with reclaimed water for the many ducks and geese that make their homes there. It truly has been a lifesaver to walk/bike/enjoy the peaceful & beautiful setting during the pandemic. I apologize if this is a re-post. Thank You for your time. Randy Waage, SLZ Resident
