Staff report submitted by Finance Director Gonzales, dated June 4, 2024, was filed.

Finance Director Gonzales provided a synopsis of the staff report.

Mayor/ HRSA Board Chair/HHA Board Chair Salinas opened the public hearing at 8:54 p.m.

Kay urged the Council to ensure that the budget funding is used effectively, particularly for housing and tenants' rights, emphasizing the need for genuine action against exploitative landlords.

Mayor/HRSA Board Chair/ HHA Board Chair Salinas closed the public hearing at 8:58 p.m.

Council/HRSA Board/HHA Board Member Roche expressed concerns about the declining reserves in the City's budget and emphasized the need for an interim work session before mid-year to address potential financial shortfalls and explore strategies to replenish reserves. Finance Director Gonzales agreed, committing to a work session in late September to assess the City's budget and discuss plans for restoring reserves to the 20% policy level.

In response to Council/HRSA Board/HHA Board Member Zermeño's inquiry about strategies to maintain the reserve fund at 20%, Finance Director Gonzales suggested strategies such as freezing vacant positions or reducing supplies and services.

Council/HRSA Board/HHA Board Member Zermeño also questioned the projected revenue increase from 2026 to 2027, which Finance Director Gonzales attributed to recessionary assumptions in the financial model.

Council/HRSA Board/HHA Board Member Zermeño proposed promoting local shopping through water bill inserts, and emphasized the importance of continued budget workshops.

Interim City Manager Claussen added that while freezing positions is a short-term solution, it may not be sustainable long-term due to potential staff burnout.

Council/HRSA Board/HHA Board Member Bonilla Jr. expressed concern about the declining reserves; emphasized the need for an interim work session in September to strategize on reducing reserve usage; stressed the importance of understanding the risks associated with potential budget cuts; called for a transparent, risk-based discussion; highlighted the conservative revenue and expense projections, urging data-informed decisions for future budgets; and suggested to consider the sale of vacant properties when considering to reduce reserves.

In response to Council/HRSA Board/HHA Board Member Bonilla Jr.'s inquiry about the impact of reserve levels on the City's credit or bond ratings, Finance Director Gonzales responded, indicating no significant current concerns about credit or bond ratings as the City was meeting its debt obligations and long-term financial commitments.

Council/HRSA Board/HHA Board Member Syrop supported the idea of holding a work session in September to discuss specific strategies for maintaining a balanced and sustainable budget; and on behalf of Aaron Horner, he emphasized the need to consider the administrative burden placed on community partners, advocating for potentially increasing the Community Services budget in the future.

Council/HRSA Board/HHA Board Member Goldstein praised the comprehensive financial reports and echoed the need for proactive planning to address potential budget changes; emphasized the importance of being fiscally responsible; and encouraged starting to identify potential adjustments with minimal impact.

Council/HRSA Board/HHA Board Member Andrews expressed confidence in the Budget and Finance Committee's ability to make sound recommendations; emphasized the ongoing nature of budget reviews throughout the year, including during the mid-year update; agreed with presenting to the Council Budget and Finance Committee updates in August and meeting with the Council in late September to review the closed Fiscal Year financials and discuss budget strategies; and suggested that the Council Ad Hoc Committee and/or Community Services Commission could review the administrative burden placed on community agencies.

Mayor/HRSA Board Chair/HHA Board Chair Salinas emphasized the importance of staying steady and on course despite economic fluctuations, drawing on his experience during the economic collapse and the pandemic; commended the City's consistent adherence to the 20% reserve policy; and encouraged continued vigilance and steadiness in managing the budget.

It was moved by Mayor/HRSA Board Chair/HHA Board Chair Salinas, seconded by Council/HRSA Board/HHA Board Member Zermeño, and carried by the following roll call vote, to approve the resolutions.

### 13. Fiscal Year 2025 Strategic Roadmap: Resolution Approving and Adopting the City of Hayward Strategic Roadmap (Interim City Manager Claussen) **LB 24-015**

Staff report submitted by Interim City Manager Claussen, dated June 4, 2024, was filed.

Assistant to the City Manager Thomas provided a synopsis of the staff report; and showed the Strategic Roadmap dashboard, anticipated to go live in July 2024, indicating the dashboard will offer detailed views of priority areas, project summaries, and metrics, with updates provided quarterly.

Mayor Salinas opened the public hearing at 9:42 p.m.

Kay suggested that exceeding the Gann Limit might indicate successful economic boosting; commended the Police Department for avoiding significant payout claims; and highlighted the need for careful decision-making to avoid costly agreements with bad landlords that damage the City's reputation and finances.

Ro Aguilar commented on HM1, HM2, and HM3 under the Preserve, Protect & Produce Housing for All priority, emphasizing the lack of metrics on number of people not served due to lack of funding and other resources; suggested holding funded agencies to the same accountability standards as the City's Shelter/Navigation Center; advocated for hotels as a permanent solution and suggested discussing the item at a Homelessness-Housing Task Force meeting; and highlighted the importance of inclusionary housing for low and very low income residents.

Mayor Salinas closed the public hearing at 9:50 p.m.

Council Member Andrews expressed eagerness to use the dashboard tool moving forward; and moved the item.

Council Member Roche highlighted the dashboard as a valuable tool for the community to understand City activities; and seconded the item.

Council Member Bonilla Jr. appreciated the roadmap's alignment with the budget discussion, emphasizing the importance of understanding the City's priorities and how budget adjustments could impact strategic projects; suggested that roadmap items be a part of the budget discussion in September; and highlighted the significance of community input in guiding the budget and strategic priorities.

Council Member Syrop expressed support for the item, underscoring the importance of the dashboard in communicating the City's vision and urging flexibility with metrics to ensure they accurately reflect project impacts; and concurred with bringing the projects back in the context of the budget.
