Staff report submitted by Director of Finance Claussen dated January 26, 2021, was filed.

Finance Director Claussen provided a synopsis of the staff report.

There being no public comments, Mayor Halliday opened and closed public comment at 7:54 p.m.

Members of the City Council thanked Hayward voters for passing the 2014 Ballot Measure C; thanked Chabot College-Las Positas Community College District for the Regional Fire Training Center partnership; acknowledged the outstanding work of Maintenance Services related to combating illegal dumping; and appreciated the stewardship of Council and City staff fulfilling promises of Measure C.

Discussion ensued among members of the City Council and City staff about: Debt Service; the "Wayfair decision" regarding sales tax revenue from online transactions; opportunities to refinance current loans; funding priorities for Measure C based on \$10 million in annual revenues and programs such as the after-school homework and tutoring program; and the political promises and allocation of Measure C funds for projects/services.

Council members provided the following input: consider making early intervention programs such as homework tutoring and job support, a priority in FY22 and place library and community services at the forefront; consider more funding toward combating illegal dumping and graffiti removal; consider allocating funds for payments toward unfunded liabilities and housing production; have in mind that funds are supposed to be allocated for what the ballot measure was intended and requested that information from the political promises be added to future staff reports moving forward; and recommended supporting local merchants whenever possible and diversifying retail in Hayward.

Mayor Halliday allowed one additional public comment at 8:30 p.m.

Mr. Alexis Villalobos asked if the taxation of online purchases benefits the City and suggested a fact sheet to help the public understand what changes have been or will be made.

18. Review of Fiscal Year 2021 General Fund Revenue **WS 21-003**

Staff report submitted by Director of Finance Claussen dated January 26, 2021, was filed.

There being no public comment, Mayor Halliday opened and closed public comment at 8:38 p.m.

Discussion ensued among City Council and City staff regarding: revenue from Transient Occupancy Tax and lack of information that hotels in Hayward were utilized for COVID patients; projected Cannabis revenue; \$1.9 million allocation in Coronavirus Aid, Relief, and Economic Security Act (CARES Act) funding and cost-shared reimbursement; potential for cannabis revenue to be directed to unfunded liabilities; Franchise Fees; and Utility User Tax revenues being lower due to segments of the population being shut down. It was clarified that passage of the November 2020 ballot measure did not increase the Transient Occupancy Tax but allowed the City the ability to increase it when deemed appropriate.

Members of the Council Budget and Finance Committee and City staff were recognized for their work during the pandemic; and staff was recognized for having the Community Services Commission route CDBG funds to areas that align with Council priorities.

LEGISLATIVE BUSINESS

19. Temporary Evictions Moratoria: Adoption of Emergency Ordinance Amending the Temporary Moratorium on Commercial Evictions to Extend the Moratorium and Enacting a Moratorium on Residential Evictions **LB 21-002**

Staff report submitted by Assistant City Manager Ott dated January 26, 2021, was filed.

Housing Manager Morales provided a synopsis of the staff report. Deputy City Attorney Sidelnikov noted there were administrative revisions to 1) Section 10 of the Commercial Eviction Moratorium, clarifying the ordinance would become effective immediately and extended through June 30, 2021 or upon the expiration date of Executive Order 28-20; and 2) Section 10 of the Residential Eviction Moratorium, clarifying the ordinance would be in effect through June 30, 2021.

Housing Manager Christina Morales further noted staff was modifying the recommendation for Consent Item No. 15 (Support of State Legislation) to include support of Senate Bill 91 COVID 19 Relief: Tenancy: Federal Rental Assistance, which would extend tenant protection through June 30, 2021, and any other substantially consistent state legislation.

In response to inquiries from members of the City Council, Housing Manager Morales clarified the intent of the moratorium on commercial evictions and the moratorium on

residential evictions; noted housing staff was working with lobbyists and consultants to manage the changes in legislation; added that SB 91 would provide assistance for the loss of revenue for property owners and prevent tenants from having a large debt they would not be able to pay on their own; confirmed there were limited reasons why the courts would accept an unlawful detainer in Alameda County; and added the proposed timeline gives the City the ability to continually evaluate and be concurrent with related legislation.

Mayor Halliday opened the public hearing at 9:10 p.m.

Ms. Bobbi Lopez, Build Affordable Faster California representative, expressed support for the eviction moratoria; noted the correlation of prevention of COVID cases and death with maintaining an eviction moratorium; provided statistics from polls showing the majority of California and Alameda County residents support extending evictions moratoria; and expressed concern about opt-in clauses for landlords in SB 91.

Mr. Alexis Villalobos referenced a research which found that over 433,000 deaths from COVID cases were related to eviction moratoriums being lifted by states; and urged the Council to take action and extend the moratorium.

Ms. Elisha Crader, Hayward resident, supported extending the eviction moratorium, noted she has spent the last few months assisting Hayward residents apply for financial assistance; and expressed support for AB15, AB16 and SB91.

Mr. Jeff Jurow, Green Shutter property owner and Downtown Hayward Improvement Association president, expressed he was in favor of an eviction moratorium but urged the Council to temporarily table it to address the fringe cases of tenants that can pay rent but hide under the moratorium and the court's failure to process unlawful detainers.

Mayor Halliday closed the public hearing at 9:22 p.m.

Council Member Wahab made a motion to extend the moratorium on commercial evictions, enact a moratorium on residential evictions and support of AB 15, AB 16, and SB 91.

Council Member Salinas seconded the motion.

Council Member Wahab highlighted concerns expressed by Mr. Jeff Jurow and noted she was also concerned about individuals who take advantage of the pandemic, and asked staff to provide Council with an update on the impact of COVID-19 on property owners.

Council Member Salinas acknowledged the Council has consistently been doing what they can to protect tenants and was disappointed that banks have not been held accountable for making profits during a pandemic; and noted local governments cannot bear full weight of

responsibility but work in partnership with State and Federal governments and financial institutions.

Council Member Andrews acknowledged Mr. Jurow's comments, was concerned with the loss of property from owners who are small landlords, noted moratoriums handcuff landlords from collecting rent but renters are also struggling, reiterated comments made by Council Member Salinas regarding banks collecting mortgage payments, and recommended adding language to support letters asking that banks help property owners.

City Manager McAdoo noted the City could add to letters of support and push for legislators to look at a broader and more comprehensive rent relief package for all income levels as well as commercial tenants for small businesses.

Council Member Andrews offered an amendment to the motion for the City to send letters to appropriate State and Federal representatives urging further support for protections of tenants and small landlords.

Council Member Wahab and Council Member Salinas accepted the friendly amendment.

Council Member Zermeño was disappointed the County or State cannot take action to compel able tenants to pay rent; noted the City has consistently supported the community and this was a step further; and urged to make sure small landlords, who depend on rental income, are protected as well.

Mayor Halliday stated support for those with COVID-related loss of income; confirmed Council supported sending letters to appropriate State and Federal representatives urging further support for protections of tenants and small landlords, and for staff to provide Council with an update on the impact of COVID-19 on property owners; and noted it was in everyone's best interest to minimize evictions.

It was moved by Council Member Wahab, seconded by Council Member Salinas, and carried by the following roll call vote, to approve the ordinances and resolution with amendments:
