7:09 HYC CONFERENCE DISCUSSION

In-person at Hayward Downtown Library, April 22, 2022, from 10:00 am to 1:30 pm. Building off of last meeting's brainstorm for conference! Last's years conference started as a virtual conference due to COVID. Guess speakers, opening time, Mayor, city leaders. Two sessions, 10-1:30pm. Participants can join us the whole day and attend 2 different work shops. Performances from Mt. Eden as well raffle drawings.

This year's conference will be in person! Hoping to replicate the same schedule as last year's schedule. 4 biggest rooms in the library are rented out for this conference, while the main library will still be open to the public. The time of the conference will also take place during the time the commission begins to take in new commissioners. Possible art room to showcase art from makerspace? Idea: 1 hands-on workshop and 3 other facilitated workshops with speakers.

Send out feedback survey to gain an understanding of what times and workshops speak to the community, as well as use prior feedback. Feedback was given about past workshops that were attended. About 66% of the feedback said the conference was "worthwhile", about 30% claimed the conference was "somewhat worthwhile".

Still a lot of in-between work that we need to sort out. In the past, we've had 3 different committees; publicity/marketing, speakers/presenters/entertainment committee, logistics/registration committee. Next meeting in January, we will start to break into committees. Individual committee meetin will be planned. Hoping to have theme/tagline decided on by next meeting.
