Subject: Hayward Youth Commission Resignation

Dear HYC,

I apologize for the late notice, but I sadly have to inform that I no longer will be able to continue the Hayward Youth Commission program. Due to school and extracurricular activities, it is becoming difficult to balance everything all at once and my schedule is becoming very hectic. I appreciate everything this youth commission has taught me and the love everyone has shown me throughout these past years. I especially want to be thankful to the moderators for all the hard work they have done and how amazing they are. I am extremely greatful for the opportunity and everything I have learned out of this experience. Thank you again and if there is anything you need from me please let me know.

Best,

Jacob Jones
