

Alameda County Retailers: Your Input Is Requested!

Reusable Bag Ordinance — Potential Expansion

Together, we have been reducing the number of single-use plastic and paper bags distributed at supermarkets, convenience, liquor and drug stores across Alameda County since 2013. Thank you!

Now under consideration is an expansion of this law to cover additional retail stores, potentially including all retail stores such as clothing and electronic stores as well as restaurants in Alameda County.

We will be hosting a series of meetings throughout the county to solicit your input on expansion ideas and the reusable bag requirements. All Alameda County retailers are welcome and invited to participate.
