MASTER PROGRAMS FUNDING AGREEMENT between the ALAMEDA COUNTY TRANSPORTATION COMMISSION and the CITY OF HAYWARD

This Master Programs Funding Agreement ("AGREEMENT", effective the 1st of July 1, 2016, is entered into by and between the Alameda County Transportation Commission ("ALAMEDA CTC") and the City of Hayward ("RECIPIENT").

RECITALS

- A. On November 7, 2000, the voters of Alameda County, pursuant to the provisions of the Local Transportation Authority and Improvement Act, California Public Utilities Code Section 180000 et seq. (the "Act"), approved the reauthorization of Measure B, thereby authorizing Alameda County Transportation Improvement Authority ("ACTIA") to administer the proceeds from a continued one-half cent transaction and use tax ("Measure B").
- B. The duration of the Measure B sales tax will be 20 years from the initial year of collection, which began April 1, 2002, with said tax to terminate/expire on March 31, 2022. The tax proceeds will be used to pay for the programs and projects outlined in Alameda County's 20-Year Transportation Expenditure Plan (the "Measure B Expenditure Plan"), as it may be amended.
- C. The Measure B Expenditure Plan authorizes the issuance of bonds to expedite delivery of transportation projects and programs. Costs associated with bonding will be borne only by the capital projects included in the Measure B Expenditure Plan and by any programs included in the Measure B Expenditure Plan that utilize the bond proceeds.
- D. On November 2, 2010, the voters of Alameda County approved Measure F, the Vehicle Registration Fee ("VRF") Program, pursuant to Section 65089.20 of the Government Code, thereby authorizing the Alameda County Congestion Management Agency ("ACCMA") to administer the proceeds from a \$10 per year vehicle registration fee on each annual motor-vehicle registration or renewal of registration in Alameda County, starting in May 2011, six months following approval of Measure F. Vehicles subject to the VRF include all motorized vehicles, including passenger cars, light-duty trucks, medium-duty trucks, heavy-duty trucks, buses of all sizes, motorcycles, and motorized camper homes, unless vehicles are expressly exempted from the payment of the VRF.
- E. Funds raised by the VRF will be used exclusively for local transportation purposes in Alameda County that have a relationship or benefit to the owners of motor vehicles paying the VRF, including projects and programs identified in the expenditure plan approved by the voters as part of Measure F (the "VRF Expenditure Plan").
- F. On June 24, 2010, ACTIA and ACCMA took the final actions to create ALAMEDA CTC, which has assumed the responsibilities of ACTIA and ACCMA, including duties related to Measure B and the VRF.

- G. On November 4, 2014, the voters of Alameda County, pursuant to the Act, approved Measure BB, thereby authorizing ALAMEDA CTC to administer the proceeds from the extension of the existing Measure B one-half of one percent transaction that is scheduled to terminate on March 31, 2022, and the augmentation of the tax by one-half of one percent.
- H. The duration of the Measure BB sales tax will be 30 years from the initial year of collection, which begins April 1, 2015, with said tax to terminate/expire on March 31, 2045. The tax proceeds will be used to pay for the investments outlined in Alameda County's 30-Year Transportation Expenditure Plan ("Measure BB Expenditure Plan"), as it may be amended.
- I. This AGREEMENT delineates the requirements of the Measure B/Measure BB/VRF Direct Local Distribution ("DLD") funds that are directly allocated to local jurisdictions and transit operators, as authorized by the Measure B Expenditure Plan, the VRF Expenditure Plan, and the Measure BB Expenditure Plan. Discretionary funds identified in these expenditure plans are not the subject of this AGREEMENT, and RECIPIENT will be required to enter into a separate agreement for those funds.

ACE	East/South County	2.12%			
SF WETA	Alameda County	0.78%			

Table 2: Measure BB					
Agency	Area	Percentage of Net Revenues			
AC Transit	Alameda County	18.80 %			
ACE	East/South County	1.00 %

Countywide Local and Feeder Bus Service: Provides funding for countywide local and feeder bus service in every region of the county to link neighborhoods and commuters to BART, rail, and express bus connections throughout the county. Welfare to Work programs dedicate 1.46 percent of overall Measure B net sales tax revenues to enhancing transportation opportunities for persons making the transition from welfare to work.

Other Mass Transit Programs: Provides funding to San Francisco Water Emergency Transportation Authority (WETA) Transbay Ferry Service to expand transbay ferry service from Alameda. Provides funding to Altamont Commuter Express (ACE) for capital and operating costs for operations in South and East Alameda County.

Transit Operations: Provides funding to transit operators for maintenance of transit service, restoration of service cuts, expansion of transit service, and passenger safety and security. The transit operators will determine the priorities for these funds through public processes and will submit an annual audit to Alameda CTC.

AC Transit agrees to allocate 1.46 percent of overall net Measure B sales tax receipts to enhancing transportation opportunities for persons making the transition from welfare to work. These "welfare to work" funds can be used by AC Transit for service restoration and expansion or implementation of improved bus

service to facilitate travel to and from work. AC Transit will prioritize the restoration and development of new service to meet the employment-related transit needs of low-income residents in northern and central Alameda County.

Additionally, these funds may be used, at the determination of AC Transit, to provide subsidies of regular bus fares for individuals living in northern and central Alameda County who are transferring from welfare to work as well as those who are economically disadvantaged. In the event that sufficient funds are otherwise available to AC Transit to meet these needs then "welfare to work" funds can be used for other general passenger service purposes in northern and central Alameda County.

AC Transit will work together with and actively seek input from bus riders, business leaders, mayors and other elected officials in San Leandro, Hayward, and the unincorporated areas in Central Alameda County to ensure that the additional transit funds in Central County are used for bus improvements such as night, weekend, and more frequent service, connections to residential growth areas, and access to major employment centers, including enhancement of east-west corridors.

AC Transit will continue to provide transit service similar to the Department of Labor-funded shuttle to and from job sites in East and West Oakland, as needed. AC Transit, Alameda County, the City of Oakland, the Port of Oakland and other entities will look for additional money from outside sources to fund the service. If needed, Measure B funds may be used.

PERFORMANCE MEASURE SUMMARY

Direct Local Distribution recipients are to document the performance and benefits of the projects and programs funded with Measure B, Measure BB, and/or Vehicle Registration Fee funds. The following performance measures are a selection of performance standards that must be documented at minimum by the recipients, as applicable. Additional performance measures may be requested by the Alameda CTC.

Performance reporting will be done through Alameda CTC's reporting processes including the annual program compliance reports, annual performance report, and various planning activities, as they are requested and applicable. Performance will be evaluated periodically through the aforementioned evaluation reports to determine the effectiveness of investments and to inform future investment decisions.
