NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Hayward that:

5. Based on the oral and documentary evidence, including the Engineer's Report, offered and received at the hearing, this Council expressly finds and determines (a) that each of the several lots and parcels of land will be specially benefitted by the maintenance of the improvements at least in the amount, if not more than the amount, of the assessment apportioned against the lots and parcels of land, respectively, and (b) that there is substantial evidence to support, and the weight of the evidence preponderates in favor of, the aforesaid finding and determination as to special benefits.
