

DATE: June 26, 2018

TO: Mayor and City Council

FROM: Interim Development Services Director

SUBJECT Approval of Final Map Tract 8244 (Overlook Terrace), associated with the previously approved Vesting Tentative Tract Map and proposed development of six (6) single-family homes on a 0.91-acre site located at the North-East corner of Carlos Bee Blvd and Overlook Ave; Sunny Aujla (Applicant/Owner)

RECOMMENDATION

That the City Council adopts the attached resolution (Attachment II) approving Final Map 8244, finding it in substantial conformance with the approved Vesting Tentative Tract Map 8244 and the Conditions of Approval thereof, and authorizing the City Manager to take other administrative actions and execute a Subdivision Agreement and such other documents as are appropriate to effectuate the required improvements for the development located at the North-East corner of Carlos Bee Blvd and Overlook Ave.

SUMMARY

The Applicant has submitted a Final Map and Improvement Plans that have been reviewed and determined to be in substantial compliance with the approved Vesting Tentative Map for Tract 8244 by the City Engineer. City Council's approval of the attached resolution would approve the Final Map and authorize the City Manager to execute a Subdivision Agreement between the City and Applicant for the construction of improvements and other obligations required per conditions of approval of the Vesting Tentative Tract Map.

If the City Council approves the Final Map, the applicant will have the final map recorded, obtain construction permits, and commence the construction of improvements shown on the approved Improvement Plans.

BACKGROUND

Per State law, Tentative Tract and Final maps are required for all subdivisions creating five or more parcels. A Tentative Tract Map is required to ensure that any proposed development complies with the Subdivision Map Act, the California Environmental Quality Act, Planned Development guidelines, the City Subdivision Ordinance, Zoning Ordinance, Building Regulations, the Hayward General Plan and Neighborhood Plans, and the site-specific requirements of the Development Services, Public Works, Fire, and Police Departments.

After the Tentative Map and Precise Plan are approved, the Applicant submits the Final Subdivision Map and Improvement Plans for review and approval by the City Engineer (and subsequent recordation of the Final Map after Council review and approval) before proceeding with obtaining grading and building permits for the construction of improvements. The developer is also required to file a Tentative Map and Final Map so that the six (6) single family homes may be sold individually.

On January 12, 2016, Council approved the Vesting Tentative Tract Map and other discretionary approvals to subdivide the property and construct six (6) single family homes. The Vesting Tentative Map expires on January 12, 2019.

On July 19, 2016, the applicant submitted Improvement Plans and the Final Map to the City Engineer for review and approval.

DISCUSSION

Tract 8244 is located across four (4) parcels totaling 0.91-acres at the north-east corner of Carlos Bee Boulevard and Overlook Avenue (see Attachment III- Vicinity Map). The project proposes six (6) new single-family homes on a site surrounded by a mixture of residential uses and open space.

The Subdivision Improvement Plans and Final Map (Attachment V) were reviewed by the City Engineer and were found to be in substantial compliance with the Vesting Tentative Map and in conformance with the Subdivision Map Act and Hayward's subdivision regulations. There are no significant changes to the Final Map as compared to the approved Vesting Tentative Tract Map.

The City Council's approval of the Final Map shall not become effective until and unless the developer enters into a Subdivision Agreement with the City for the construction of improvements and other obligations required per conditions of approval of the Vesting Tentative Tract Map.

Pursuant to CEQA Guidelines Section 15220, an Initial Study was prepared for this project with the finding that a Negative Declaration was appropriate because all potential impacts are below a level of significance. On January 12, 2016, City Council adopted the Negative Declaration. No additional environmental review is required for approval of the Final Map for the project.

ECONOMIC & FISCAL IMPACT

The Final Map approval is consistent with the approved project and the Final Map approval will not have any fiscal or economic impacts other than those identified during the original project approvals.

STRATEGIC INITIATIVES

This agenda item supports the Complete Streets Strategic Initiatives. The purpose of the Complete Streets Initiative is to build streets that are safe, comfortable, and convenient for travel for everyone, regardless of age or ability, including motorists, pedestrians, bicyclists, and public transportation riders. This item supports the following goal and objective:

Goal 2: Provide Complete Streets that balance the diverse needs of users of the public right-of-way.

Objective 1: Increase walking, biking, transit usage, carpooling and other sustainable modes of transportation by designing and retrofitting streets to accommodate all modes.

This agenda item also supports the Complete Communities Strategic Initiative. The purpose of the Complete Communities initiative is to create and support structures, services, and amenities to provide inclusive and equitable access with the goal of becoming a thriving and promising place to live, work and play for all. This item supports the following goal and objectives:

Goal 2: Provide a mix of housing stock for all Hayward residents and community members, including the expansion of affordable housing opportunities and resources.

Objective 2: Facilitate the development of diverse housing types that serves the needs of all populations

Objective 3: Conserve and improve the existing housing stock

PUBLIC CONTACT

A public hearing is not required for the filing of the Final Map for Tract 8244. Public hearings were already conducted as part of the approval of the Vesting Tentative Map application for Tract 8244.

NEXT STEPS

If the City Council approves the Final Map, the applicant will have the final map recorded, obtain construction permits, and commence the construction of improvements shown on the approved Improvement Plans.
