

## ATTACHMENT III

March 21, 2019

Dear KHCG Commission and Council members,

I am writing to inform you of my resignation from the Keep Hayward Clean and Green Taskforce/Commission effectively immediately. Unfortunately I have competing priorities which will impact my availability to attend the Thursday evening meetings and clean up events. I want to be respectful of the taskforces attendance requirements as I have been a proud member.

I am extremely grateful for the opportunity to be part of this taskforce as it allowed me to learn more about how to keep our beautiful city clean and green. Additionally, I have had the pleasure of meeting other passionate community members who inspire me and reaffirm my belief that our city is in good hands.

Thank you for continuing to be better than the day before. I look forward to rejoining this taskforce or other commission in the future as time permits.

As always, #Hayward Beautiful!

Respectfully,
