Public Comments:

- Erin Scott, Executive Director of Family Violence Law Center, thanked the City of Hayward for the continued support of work on behalf of domestic violence survivors in Hayward.

While understanding the process and the difficulties allocating funds, made two requests of the Commission; As commission moves forward, please focus on the Safety Net Services and mentioned interest in partnering with City Council to advocate for more funding for the Safety Net Services.

- James Treggiari, Executive Director for Legal Assistance for Seniors, thanked the City of Hayward for funding consideration for older seniors in the community. He echoed concern for Safety Net Services funding; it is getting harder to maintain the level of services to the older adults of the community.
- Cindy Ortega, Program Director for Ruby's Place, read concerns of executive director; the proposed funding cut of \$15,000 is of concern and asks to please reconsider the funding reduction for Ruby's Place, a Hayward Homegrown Non-profit.

- A motion to approve the minutes was moved by Commissioner Lara Cruz with a second by Commissioner Lawrence. The minutes were approved unanimously.

Discussion:

FY 2020-2021 Community Agency Funding Process CSC Draft Funding Recommendations

Ms. Davis provided the Commission with an overview of the Application Review Committee (ARC) process consisting of three (3) different groups: 1. Arts & Music, 2. Economic Development / Infrastructure, and 3. Services. Ms. Davis also acknowledged the difficulties these committee's experienced allocating funding to far more applying agencies with less funding available.

Commissioner Berry provided the commission with an overview of the Economic Development / Infrastructure ARC. The in-person presentations proved to be more informative than the applications alone. She also highlighted several items: 1. Friends of Hayward, staircase work, they had further questions on the architecture and all commissioners on the ARC were willing to a site visit, 2. St. Rose's significant infrastructure requests for accessibility improvements, and 3. Disclosed lively discussion of St. Roses' status of non-profit versus for profit.

Commissioner Zargar provided an overview of the Arts & Music ARC. While noting the tough decisions due to a larger number of applicants with less funding, she noted Love Never Fails' powerful presentation and they do not plan to request additional funds because they actively fundraise. Commissioner Zargar also summarized to the Commission that the Municipal Band funding amount was lowered and had no desire to fundraise to supplement.

Commissioner Vasaure provided summary of Services ARC. Hard decisions were made during the two (2) full days of interviews and deliberations, due to more applicants and less funding. The ARC had interest to make allocations work to fund all the applying agencies. While they were okay with their decisions for funding, it was still difficult.

Ms. Davis announced the City of Hayward is given a yearly amount of funding for Public Services through CDBG Entitlement amount, which would be 15% of total amount for additional funding. This amount was not known at the time of the ARC Interviews.

Mr. Aman Dhuper, President CEO, St. Rose Hospital, provided the Community Services Commission with an overview of the organization, in addition to providing answers to questions regarding the business of St. Rose.

Strategic Planning Update

Ms. Davis provided the Commission a summary of the Strategic Roadmap, which consists of fine tuning of the Strategic Initiatives previously identified by City Council. The roadmap primarily focuses on the day to day plan for “Special Projects” throughout Hayward.
