

HAYWARD AREA SHORELINE PLANNING AGENCY

Memorandum

DATE: April 8, 2021

TO: Hayward Area Shoreline Planning Agency (HASPA) Board of Trustees

FROM: Erik Pearson, Environmental Services Manager

SUBJECT: Shoreline Adaptation Master Plan Outreach

Summary

The Hayward Area Shoreline Planning Agency (HASPA) has partnered with a multidisciplinary team of students in a Global Climate Change course at San Jose State University (SJSU) to conduct some additional targeted outreach in relation to the Hayward Regional Shoreline Adaptation Master Plan. The goal of this outreach is to increase awareness of the Master Plan and the impacts of sea level rise in the Latinx communities of San Lorenzo and Ashland. This brief presentation will provide a description of the goals, deliverables and results of this targeted outreach.

Recommendation

The Technical Advisory Committee (TAC) recommends that the HASPA Board provides input to the SJSU student team and staff on the additional Shoreline Adaptation Master Plan targeted outreach.
