DATE: June 5, 2018

TO: Mayor and City Council

FROM: Maintenance Services Director

SUBJECT

Adopt a Resolution of Intention to Preliminarily Approve the Engineer's Report and Levy Assessments for Fiscal Year 2019 for Maintenance District No. 1 - Storm Drainage Pumping Station and Storm Drain Conduit Located at Pacheco Way, Stratford Road and Ruus Lane, and Set June 19, 2018, as the Public Hearing Date for Such Actions

RECOMMENDATION

That the City Council adopts the attached resolution (Attachment II).

SUMMARY

Maintenance District No. 1 (MD 1) was established in 1995 to fund the operation, maintenance, repair, and replacement of a storm drain pumping facility near Stratford Road and Ruus Lane. The City subsequently signed an agreement with the Alameda County Flood Control and Water Conservation District (Flood Control District) to transfer ownership of the facility to the District, and for the District to operate and maintain the facility. The City acts as an intermediary, whereas the City established the maintenance district and receives the annual assessment revenue, and then annually reimburses the Flood Control District for their operation, maintenance, repair and replace services. Based on staff's review of the district's financial position, staff is recommending no change to the FY 2019 assessment rate from the previous year, set at \$243.92.
