**File #:** CONS 19-117, **Version:** 1

---

**DATE:** March 5, 2019

**TO:** Mayor and City Council

**FROM:** Interim Director of Public Works

### **SUBJECT**

Fire Station 6 and Fire Training Center Project: Abatement and Deconstruction of Existing Buildings - Approval of Plans and Specifications and Call for Bids

### **RECOMMENDATION**

That the Council adopts the attached resolution (Attachment II) approving the plans and specifications for the abatement and deconstruction of the existing Fire Station 6 and Fire Training Center structures.

### **SUMMARY**

To build the new Fire Station 6 and Fire Training Center, the existing fire station and several fire training center structures will need to be deconstructed. Based on the materials sampling and testing, hazardous materials abatement will be required of these buildings prior to deconstruction. Staff has prepared construction documents based on the hazardous abatement reports and deconstruction plans prepared by consultants and seeks Council approval of the plans and specifications and call for bids.
