Cover Memo

File #: CONS 22-100, **Version:** 1

DATE: February 22, 2022

TO: Mayor and City Council

FROM: Director of Public Works

SUBJECT

Adopt a Resolution Approving Plans and Specifications and Calling for Bids for the FY22 Pavement Improvement Project, Project No. 05239

RECOMMENDATION

That the Council adopts a resolution (Attachment II) approving the plans and specifications and calling for bids for the FY22 Pavement Improvement Project (PIP), Project No. 05239.

SUMMARY

The FY22 PIP calls for the pavement rehabilitation of sixty-four street sections and preventive maintenance of thirty-one street sections for a total of ninety-five street sections (Attachments III and IV). The proposed improvements will repair failed pavement sections and improve street surfaces.

The project budget of \$11,900,000 is funded via the Gas Tax, Measure B, Measure BB, Vehicle Registration Fees, Street System Improvements, and anticipated Road Repair and Accountability Act (RRAA) (SB1) funds. This project is categorically exempt from environmental review under Section 15301(c) of the California Environmental Quality Act Guidelines for the operation, repair, maintenance, or minor alteration of existing facilities.

Council Infrastructure Committee

At the October 27, 2021 Council Infrastructure Committee (CIC) meeting, staff presented the FY22 PIP including street selection criteria, treatment types, and budget allocations and the CIC recommended the tentative list of streets be presented to Council for approval.
