Adopt a Resolution of Intention to Preliminarily Approve the Engineer's Report and Levy Assessments for Fiscal Year 2020 for Maintenance District No. 1 - Storm Drainage Pumping Station and Storm Drain Conduit Located at Pacheco Way, Stratford Road and Ruus Lane, and Set June 4, 2019, as the Public Hearing Date

RECOMMENDATION

That the City Council adopts the attached resolution (Attachment II).

SUMMARY

Maintenance District No. 1 (MD 1) was established in 1995 to pay for the operation, maintenance, repair, and replacement of a storm drain pumping facility near Stratford Road and Ruus Lane. The City subsequently signed an agreement with the Alameda County Flood Control and Water Conservation District (County) to transfer ownership of the facility to the County, and for the County to operate and maintain the facility. The City acts as an intermediary, whereas the City established the maintenance district and receives the annual assessment revenue, and then annually reimburses the County for their operation, maintenance, repair, and replacement services.
