### **SUBJECT**

Adopt a Resolution Approving Plans and Specifications and Calling for Bids for the FY21 Sidewalk Rehabilitation Project No. 05302 and Wheelchair Ramp Projects 05221 and 05229

### **RECOMMENDATION**

That Council adopts a resolution (Attachment II) approving the plans and specifications for the FY21 Sidewalk Rehabilitation and Wheelchair Ramps Project (Project) and calling for bids to be received on May 18, 2021.

### **SUMMARY**

This project is a continuation of the City's Annual Sidewalk Repair Program (Program) that began in 2001. The City is currently divided into ten districts for the purpose of the Program, (Attachment V). Three districts, 1, 4, and 8, will be the focus of this year's program to address continuous repair and improvement needs. Portions of District 4, which were not completed as part of last year's program, are also included in this year's proposed Project. Attachment III depicts the repair locations in the districts covered in this year's project.

The project budget is \$853,000 and is included in the FY21 Capital Improvement Program (CIP). The Project includes 190 locations for sidewalk repair and installation of approximately 40 wheelchair ramps. The proposed improvements will repair damaged sections of sidewalks and increase pedestrian mobility.
