Cover Memo

File #: ACT 18-040, **Version:** 1

DATE: July 16, 2018

TO: Council Sustainability Committee

FROM: Director of Utilities & Environmental Services

SUBJECT

Establishing a 2030 GHG Reduction Goal

RECOMMENDATION

That the Committee reviews and comments on this report and makes a recommendation to Council to adopt a resolution setting Hayward's 2030 GHG reduction target at 40% below 2005 levels.

SUMMARY

Hayward currently has goals for reducing greenhouse gas (GHG) emissions with specific targets for 2020, 2040, and 2050. This report provides considerations for establishing a GHG reduction goal for 2030.
