**DATE:** April 28, 2021

**TO:** Council Infrastructure Committee

**FROM:** Director of Public Works

### **SUBJECT**

Safe Routes for Seniors Program

### **RECOMMENDATION**

That the Council Infrastructure Committee (CIC) reviews and comments on the Phase I engineering design and proposed improvements for the Safe Routes for Seniors (SR4S) Program.

### **SUMMARY**

The SR4S Program targets pedestrian improvements designed to improve accessibility for senior residents and visitors. Given the concentration of facilities serving senior residents in and around the Downtown, this project focuses primarily on the Downtown area of Hayward. The ongoing program will equitably address accessibility for seniors throughout the Hayward community. The purpose of this report is to present phase I of the engineering design process to the CIC. Phase I focused on the existing conditions, evaluation, community outreach, and culminated in the selection of preferred concept plans.
