DATE: June 16, 2020

TO: Mayor and City Council

FROM: Director of Information Technology/CIO

SUBJECT

Adopt a Resolution Authorizing the City Manager to Negotiate and Execute an Agreement with Savant Solutions for Information Technology Department Infrastructure Security Services

RECOMMENDATION

That Council adopts a resolution (Attachment II) authorizing the City Manager to negotiate and execute an agreement with Savant Solutions for Information Technology Department infrastructure services in an amount not to exceed \$94,000.

SUMMARY

Over the past six months, the City has engaged with Savant Solutions in a pilot program to enhance the Information Technology Department's infrastructure security. This successful pilot project has delivered the desired outcome of serving as a central clearinghouse for cyber-attack log analysis, trend monitoring, as well as augmenting the security defense footprint of the network infrastructure team. Given the success of the pilot phase, staff recommends transitioning to an annual service contract.
