SUBJECT

Adopt a Resolution Approving Plans and Specifications and Calling for Bids for the FY23 Sidewalk Rehabilitation and Wheelchair Ramp Project, Project No. 05303

RECOMMENDATION

That Council adopts a resolution (Attachment II) approving the plans and specifications for the FY23 Sidewalk Rehabilitation and Wheelchair Ramps Project No. 05303 and calling for bids to be received on July 18, 2023.

SUMMARY

This Project is a continuation of the City's Annual Sidewalk Repair Program (Program) that began in 2001. The City is currently divided into ten districts for the purpose of the Program (Attachment V). Two districts, 6 and 9, will be the focus of this year's program to address continuous repair and improvement needs. Attachment III depicts the repair locations in the districts covered in this year's project.

The project budget is \$1,900,000 and is included in the FY23 Capital Improvement Program (CIP). The Project includes 260 locations for sidewalk repair and installation of approximately 30 wheelchair ramps. The proposed improvements will repair damaged sections of sidewalks and increase pedestrian mobility. On November 15, 2016, Council adopted a resolution authorizing a Community Workforce Agreement (CWA) with the Alameda County Building Trades Council (BTC), which applies to City projects with construction costs of \$1,000,000 or more. The construction cost estimate for this project is more than \$1,000,000, therefore the CWA agreement applies to this project.
