Cover Memo

File #: CONS 19-540, **Version:** 1

DATE: July 16, 2019

TO: Mayor and City Council

FROM: Director of Public Works

SUBJECT

Adopt a Resolution to Reject all Bids for the Installation of Trash Capture Infrastructure on Arf Avenue

RECOMMENDATION

That Council adopts a resolution (Attachment II) rejecting all bids for the installation of trash capture infrastructure on Arf Avenue.

SUMMARY

Only two bids were received at the bid opening and both are significantly more than the Engineer's Estimate for the project. Staff anticipates re-advertising the project later this year will yield better results. This project will involve the installation of trash capture infrastructure in the existing storm drain box culvert on Arf Avenue, near its intersection with Pueblo Spring, which would help remove trash from the City's storm water system.
