## Cover Memo

---

**File #:** CONS 22-262, **Version:** 1

---

**DATE:** May 3, 2022

**TO:** Mayor and City Council

**FROM:** Director of Public Works

### **SUBJECT**

Adopt a Resolution Approving the Plans and Specifications and Call for Bids for the Willimet Way and I-880 Sanitary Sewer Main Installation Project, Project No. 07717

### **RECOMMENDATION**

That Council adopts a resolution (Attachment II) approving the plans and specifications for the Willimet Way and I-880 Sanitary Sewer Main Installation Project, Project No. 07717 (Project), and calling for construction bids to be received on May 24, 2022.

### **SUMMARY**

The Utilities Division of the Public Works & Utilities Department replaces the City's undersized or structurally damaged sewer mains through capital improvement projects. These projects reduce the risk of potential sanitary sewer overflows, which can cause untreated wastewater to flow into public waterways. The Project will install approximately 165 linear feet of 12-inch sanitary sewer main at a new location to increase pipeline capacity and replace a damaged sewer main between Willimet Way and the Highway 92W/Interstate 880N on-ramp. The new sanitary sewer main will be installed using a trenchless technology to minimize construction impacts on residential properties and by traditional open-cut method within California Department of Transportation (Caltrans) right-of-way. Design has been completed and bid documents have been prepared. Staff is requesting Council's approval of the plans and specifications and call for bids to be received on May 24, 2022.
