FROM: Director of Public Works

SUBJECT

Adopt a Resolution Approving Plans and Specifications and Calling for Bids for Traffic Signal Modification on Jackson Street as Part of the Route 238 Corridor Improvement Phase 2 Project No. 05270

RECOMMENDATION

That the Council adopts a resolution (Attachment II) approving the plans and specifications, and calling for bids to be received on May 9, 2023, for the Traffic Signal Modification at Jackson Street, which will take place as part of the Route 238 Corridor Improvement Phase 2 Project No. 05270.

SUMMARY

This Project proposes signal upgrade and improvements, particularly for enhancing traffic flow, which includes installing new controllers, Sydney Coordinated Adaptive Traffic Systems (SCATS), and video detection systems, at these four intersections:

1. Jackson St/Amador St-Cypress Ave;
2. Jackson St/Soto Rd;
3. Jackson St/Winton Ave; and
4. Jackson St/Meek Ave-Silva Ave.

This report requests approval of the plans and specifications and calling for bids for the project. Funding for this project was obtained through a cooperative agreement with the California Department of Transportation (Caltrans) for a total of \$531,000. The total Project cost is estimated at \$531,000, which includes \$352,000 for construction with an additive bid alternate item should bidding allow.
