Cover Memo

File #: CONS 22-609, **Version:** 1

DATE: November 1, 2022

TO: Mayor and City Council

FROM: Director of Public Works

SUBJECT

Adopt a Resolution Authorizing the City Manager to Negotiate and Execute a Site License Agreement with East Bay Community Energy for Electric Vehicle Charging at Multiple Locations

RECOMMENDATION

That Council adopts a resolution (Attachment II) authorizing the City Manager to negotiate and execute a Master Site License Agreement with East Bay Community Energy for electric vehicle charging at multiple locations within the City of Hayward.

SUMMARY

East Bay Community Energy (EBCE) seeks to develop, own, and operate a network of publicly available electric vehicle (EV) fast charging hubs throughout its service territory. In the near term, EBCE is interested in locating two to three EV charging hubs, each with capacity for at least 20 EVs, in Hayward. Staff is negotiating a draft Master Site License Agreement (Agreement) that would allow EBCE to pursue locating charging hubs in up to seven City-owned municipal parking lots and garages. The draft Agreement was considered and recommended by the Council Sustainability Committee (CSC) on October 6, 2022.
