## Cover Memo

---

**File #:** CONS 18-175, **Version:** 1

---

**DATE:** March 20, 2018

**TO:** Mayor and City Council

**FROM:** Director of Utilities & Environmental Services

### **SUBJECT**

Recycled Water Storage and Distribution System Project, Project No. 07507: Approval of Addendum Nos. 1 through 3 and Award of Pump Station and Storage Tank Construction Contract; Approval of Addendums Nos. 1 through 4 and Award of Distribution Pipelines System Construction Contract; Adoption of Resolutions to apply for Increased Funding through the State Revolving Fund Loan Program; and Appropriation of Additional Funds

### **RECOMMENDATION**

That Council adopts the attached resolutions:

1. Approving Addendum Nos. 1 through 3 and awarding a contract to Myers and Sons Construction, LP to construct the recycled water pump station and storage tank, in an amount not to exceed \$4,793,000; and
2. Approving Addendum Nos. 1 through 4 and awarding a contract to Mountain Cascade, Inc. to construct the recycled water pipelines distribution system, in an amount not to exceed \$15,963,000; and
3. Authorizing the City Manager to apply to the State Water Resources Control Board to increase the amount of funding for the Recycled Water Storage and Distribution System Project through the Clean Water State Revolving Fund (SRF) loan program; and
4. Approving a reimbursement resolution in support of a revised SRF loan application; and
5. Appropriating additional funds from the Sewer Improvement Fund for the Recycled Water Storage and Distribution System Project.

### **SUMMARY**

The City's Recycled Water Storage and Distribution System Project consists of constructing a storage tank and pump station at the City's Water Pollution Control Facility (WPCF) and installing distribution pipelines and customer connections to deliver recycled water to customers for irrigation and industrial uses. The project is being constructed under multiple contracts. On December 12, 2017, Council approved the plans and specifications for 1) the pump station and storage tank and 2) approximately

eight miles of pipelines, and called for separate bids to be received on February 15, 2018.

Staff is requesting Council approval to award two construction contracts. The construction contract for the recycled water pump station and storage tank will be \$4,793,000, which includes the low bid of \$4,543,000 and a \$250,000 administrative change order contingency for unforeseen changes during construction. The construction contract for the distribution pipelines will be \$15,963,000, which includes the low bid of \$14,642,217.50 and an administrative change order contingency budget of \$1,320,782.50.

## **ATTACHMENTS**

Attachment I	Staff Report
Attachment II	Approval of Addenda and Award Contract Resolution to Myers and Sons Construction
Attachment III	Approval of Addenda and Award Contract Resolution to Mountain Cascade
Attachment IV	Authorizing Resolution for SRF Funding
Attachment V	Reimbursement Resolution for SRF Funding
Attachment VI	Appropriation Resolution
Attachment VII	Bid Summary for Recycled Water Pump Station and Storage Tank
Attachment VIII	Bid Summary for Recycled Water Distribution System
