## Cover Memo

---

**File #:** ACT 17-056, **Version:** 1

---

**DATE:** September 11, 2017

**TO:** Council Sustainability Committee

**FROM:** Director of Utilities & Environmental Services

### **SUBJECT**

Design and Construction Approach for the Solar Photovoltaic System Project at the Water Pollution Control Facility - Phase II

### **RECOMMENDATION**

That the Committee reviews and comments on this report, and provides direction regarding the appropriate design and construction approach for an additional one-megawatt or larger solar photovoltaic system at the Water Pollution Control Facility (WPCF).

### **ATTACHMENTS**

Attachment I      Staff Report
