**DATE:** May 23, 2018

**TO:** Council Infrastructure Committee

**FROM:** Interim Director of Public Works

**SUBJECT**

Mission Boulevard Corridor Improvements Phase 3 Project Update

**RECOMMENDATION**

That the Committee comments on the design for the Mission Boulevard Corridor Improvements Phase 3 Project.

**SUMMARY**

During the January 24, 2018, Council Infrastructure Committee (CIC) meeting, staff provided an update on the Mission Boulevard Corridor Improvements Phase 3 Project. Given the limited available right-of-way the design incorporated bike lane sharing a travel lane. An alternative was also presented to provide bike facilities off Mission Boulevard on adjacent parallel streets. The Committee was not in favor of either design and asked that additional studies and considerations be made to include separate bike lanes on Mission Boulevard, including limiting travel lanes to one in each direction, plus a turn lane at intersections. Staff has analyzed that alternative and developed additional ones for the Committee's consideration.
