## Cover Memo

---

**File #:** ACT 18-040, **Version:** 1

---

**DATE:** July 16, 2018

**TO:** Council Sustainability Committee

**FROM:** Director of Utilities & Environmental Services

**SUBJECT**

Establishing a 2030 GHG Reduction Goal

**RECOMMENDATION**

That the Committee reviews and comments on this report and makes a recommendation to Council to adopt a resolution setting Hayward's 2030 GHG reduction target at 40% below 2005 levels.

**SUMMARY**

Hayward currently has goals for reducing greenhouse gas (GHG) emissions with specific targets for 2020, 2040, and 2050. This report provides considerations for establishing a GHG reduction goal for 2030.
