Cover Memo

File #: ACT 19-160, **Version:** 1

DATE: September 16, 2019

TO: Council Infrastructure Committee

FROM: CIO/Director of Information Technology

SUBJECT

Knightscope Security Robot Subscription Service

RECOMMENDATION

That the Council Infrastructure Committee discusses staff's recommendation to extend the Knightscope Security Robot Subscription for one year.

SUMMARY

Last year, the City engaged Knightscope in a pilot program to provide the K5 security robot to patrol the Watkins parking garage across from City Hall. The one-year pilot program has now concluded. Given the positive impact in crime deterrent the robot had during the pilot year, staff recommends extending the contract for an additional year of service.
