Cover Memo

File #: ACT 20-001, **Version:** 1

DATE: January 13, 2020

TO: Council Sustainability Committee

FROM: Director of Public Works

SUBJECT

Consider Elimination of the Environmental Awards

RECOMMENDATION

That the Council Sustainability Committee considers elimination of the City's Annual Environmental Award Program.

SUMMARY

Over the past few years, staff has seen a decline in nominations for the Environmental Awards and believes resources could be reallocated to nominate standout environmental businesses in Hayward to regional awards programs such as Acterra's Business Environmental Award and StopWaste's Business Efficiency Award. Staff recommends eliminating the City's Annual Environmental Award Program.
