**DATE:** January 22, 2020

**TO:** Council Infrastructure Committee

**FROM:** Director of Public Works

**SUBJECT**

FY20 Pavement Improvement Project: Review and Comment on the FY20 Pavement Improvement Project

That the Council Infrastructure Committee reviews and comments on the FY20 Pavement Improvement Project.

**SUMMARY**

The FY20 Pavement Improvement Project is currently under design and tentatively calls for the rehabilitation of fifty-two street sections, and preventive maintenance of another sixty-two street sections, for a total of 114 street sections. Please see Attachment II for the list of streets. The proposed improvements will repair failed pavement sections and improve street surfaces.

The project budget is \$12,045,000. The funding comes from Gas Tax, Measure BB, Measure B, Vehicle Registration Fees and anticipated Road Repair and Accountability Act (SB1) funds.
